

Connecting Nigerian Agriculture to Global Markets

# ECOYEILD INTERNATIONAL LTD

Ecoyeild International Ltd is a Nigeria-based export and sourcing company dedicated to delivering high-quality, sustainable, and traceable agricultural products to buyers worldwide.

## We specialize in exporting:

- 1 Palm Kernel Shells (PKS)
- 2 Cashew Kernels
- 3 Cocoa
- 4 Shea Butter
- 5 Sesame Seeds
- 6 Soybeans
- 7 Dried Split Ginger
- 8 Dried Hibiscus Flowers.

We also source other agricultural products from Nigeria based on client requests.

## STRENGTH

Our strength lies in combining quality assurance with transparency and compliance. We connect Nigeria producers to global markets through a structured supply chain that meets international standards.

## VISION

To be Nigeria's most trusted partner in agricultural exports and sustainable sourcing.

## MISSION

1. To deliver sustainable, top-tier agricultural products globally, while fostering lasting relationships through reliability, integrity, and excellence.
2. Deliver premium, traceable agro-products worldwide.
3. Promote ethical and sustainable trade practices.

# CORE SERVICES

## 1. Agricultural Commodity Export

We export high-demand farm products, including biomass fuels and food-grade agro-commodities.

## 2. Sourcing Agent Services

We assist international buyers in sourcing niche, hard-to-find agricultural products tailored to their specific needs and industries.

## 3. Compliance & Documentation Excellence

We provide complete export documentation, including:

- a. Certificate of Origin *International LTD*
- b. Phytosanitary Certificate
- c. Laboratory Test Reports
- d. Other relevant export documents

## 4. Bulk Supply & Custom Packaging:

a. Flexible packaging options: 25kg, 50kg, 1MT jumbo bags, or custom/private label packaging based on buyer specifications.

## 5. Quality Assurance & Certification:

All products are tested, graded, and certified to meet the required export standards.
